AND THE YORK RESEARCH CHAIR IN ENVIRONMENTAL LAW AND JUSTICE

**MONDAY  
MARCH  
6<sup>TH</sup>  
2017  
5-6:45 PM**

**T**he age of climate change litigation has arrived. Climate change lawsuits are proceeding in many jurisdictions and have begun to achieve major victories. Hear from leading lawyers about the latest developments in climate litigation in Canada, the USA, Germany, the Philippines and beyond. This free event is a must not only for public interest environmental lawyers but also for lawyers whose clients need to understand the litigation risk they face in relation to climate change.
