STUDENT AWARD ELIGIBILITY

Osgoode's Research Graduate Program may offer York or Osgoode donor funded scholarships to applicants based on merit and financial need. These are assessed on the basis of the application package – for the majority of these awards, there is no need for a separate application. For some of these awards, matching funds were provided by the Ontario government and only Ontario Residents are eligible for those awards. The following questions help establish whether or not you are an Ontario Resident:

I am an international student

___ I am a Canadian Citizen / Permanent Resident or Protected Person

Which **ONE** statement best describes your current residency in Ontario?

___ I have always resided in Ontario **or** Ontario is the last province in which I resided for 12 months in a row without being a full-time postsecondary student.

___ My spouse has always resided in Ontario **or** Ontario is the last province in which my spouse resided or 12 months in a row without being a full-time postsecondary student. (Spouse is defined as the person to whom you are married or the person with whom you are living in a common law relationship.)

___ Ontario is the last province my parent(s), step-parent, legal guardian, or official sponsor(s) has resided in for 12 months in a row.

___ I am from another Canadian province or territory.

___ I am a Canadian citizen and I **and/or** my parents/spouse have not been living in Canada for the past 12 months in a row.
